Subject: Electrolux call

Amie – wanted to let you know Doug Arnold – attorney representing Electrolux – just called. Sounds like he will give you and/or David a call. I let him know Brian and I are in a holding pattern for the short term (couple/few weeks)– if IDNR accepts into the LRP we will enter a deferral into RCRAInfo – if not accepted – we will address thru corrective action. I told him I would be getting a letter back to David, but was waiting for your determination. I told him we had not seen the data mentioned in the letter. Hope we can chat about this project by late next week or early the following week.

Thanks,
